

PLOW Early and Deep

raise good wheat!

To do this most satisfactorily use a **Canton Diamond Gang, Diamond Sulkey or Walking Plow.** The Canton Plows are made by the oldest established plow factory in the country. They are made of the best material obtainable and by the best and most experienced mechanics. The FOOT LIFT on the Gang and Sulkey Plows is a most efficient device. A boy 10 years old can easily raise the plow to a height of eight inches with the combined weight of two men on it.

Mrs. Nancy VanHook, aged 88 years, died a 7 o'clock Tuesday morning at the home of her daughter, Mrs. Frank O'Neal, who lives northwest of Carrollton. Mrs. VanHook was one of the very earliest settlers of Carroll county, going there in the year 1832. Carroll county then was nothing but a wilderness and what is now the city of Carrollton contained only three houses. In the summer of 1832 James Campbell, father of the deceased, reached what is now the town of Carrollton. County court was in session and was being held in the shade of an immense tree, probably located about the brow of the hill on South Main street. When this family of emigrants hove in sight, court at once adjourned and went to greet and welcome this new family to the wilderness. Mrs. VanHook was born in Cumberland county, Ky., October 11, 1818, and at the age of 14 years went to Carroll county where she lived continuously up to the time of her death, approximately 74 years. She was married in 1842 to Silas VanHook who came from Kentucky in the early part of the same year. Ten children were born of this union, five of whom are still living. Mrs. VanHook was a member of the Baptist church, having united with that organization more than 50 years ago, and was always a regular attendant. She was the type of true womanhood who helped to hew out of the wilderness a way to the happy homes we now enjoy.

A hundred years ago the best physician would give you a medicine for your heart without stopping to consider what effect it might have on the liver. Even to this good day cough and cold medicines invariably bind the bowels. This is wrong. Bee's Laxative Cough Syrup with Honey and Tar acts on the bowels—drives out the cold—clears the head and relieves all coughs. Guaranteed to give satisfaction or money refunded. Sold at E. W. Herring's drug-store.

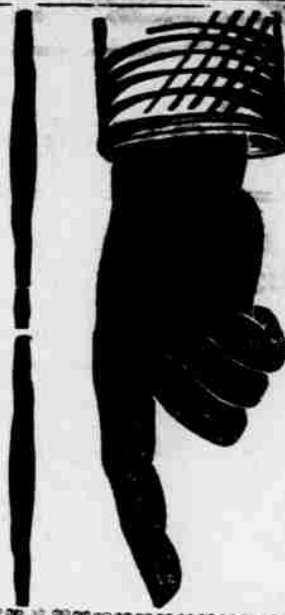

Opal, the 9-year-old son of Mr. and Mrs. Louis Girdner of Chillicothe, had his hand badly burned and lacerated by a rope, at the home of his uncle, where he was visiting, Saturday afternoon. He was watching the farm hands put hay in the barn when he unthinkingly took hold of the rope, near the pulley. His hand was drawn to the pulley where it caught and the rope passed through it, tearing the flesh from the inside of the first three fingers.

You can see the poison Pine-ules clears out of the kidneys and bladder. Mrs. S. A. Goodding passed peacefully away at her home in Macon Wednesday afternoon of consumption. Deceased was the wife of S. A. Goodding, treasurer of Macon county, who, with three daughters, survives the wife and mother. Funeral services were held at the M. E. church, South, of which she was a member.
